	Indicator	8.b.1 Existence of a developed and operationalized national strategy for youth employment, as a distinct strategy or as part of a national employment strategy

I. Global indicator

<Type 2>

Indicator	Existence of a developed and operationalized national strategy for youth employment, as a distinct strategy or as part of a national employment strategy
Definition	<p>Score rating of developed and operationalized national strategies for youth employment.</p> <p>These values provide an indication of the progress of countries in addressing youth employment issues. It is assumed that having officially adopted what can be recognised as a structured strategy for youth employment would mean larger attention given by a country to youth labour market challenges, compared to countries with no strategy.</p>
