〈Type 4〉

Indicator	Amount of United States dollars committed to public-private partnerships for infrastructure
Definition	<p>Amount in United States dollars committed to public-private partnerships for infrastructure.</p> <p>The World Bank Group defines the term Public-Private Partnership (PPPs) as "any contractual arrangement between a public entity or authority and a private entity, for providing a public asset or service, in which the private party bears significant risk and management responsibility."</p> <p>This indicator is intended to measure the quantitative change in PPPs, which gives insights on the level of infrastructure for PPPs, changes in establishment, limitations in private participation, among others.</p>
