

| | | |
|--------|------------------|--|
| U N | Goal | 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all |
| | Target | 8.b By 2020, develop and operationalize a global strategy for youth employment and implement the Global Jobs Pact of the International Labour Organization |
| | Indicator | 8.b.1 Existence of a developed and operationalized national strategy for youth employment, as a distinct strategy or as part of a national employment strategy |

I. Global indicator

〈Type 4〉

| Indicator | Existence of a developed and operationalized national strategy for youth employment, as a distinct strategy or as part of a national employment strategy | | | | | | | | | | | | |
|------------------------------|---|-------|-------------|---------------|---|---|--|---|---|---|--|---|---|
| Definition | <p>Score rating of developed and operationalized national strategies for youth employment.</p> <table> <tr> <th>Value</th><th>Description</th></tr> <tr> <td>Missing value</td><td>No information available to assess the existence of a national strategy for youth employment.</td></tr> <tr> <td>0</td><td>The country has not developed any national strategy for youth employment or taken steps to develop or adopt one.</td></tr> <tr> <td>1</td><td>The country is in the process of developing a national strategy for youth employment.</td></tr> <tr> <td>2</td><td>The country has developed and adopted a national strategy for youth employment</td></tr> <tr> <td>3</td><td>The country has operationalised a national strategy for youth employment.</td></tr> </table> <p>These values provide an indication of the progress of countries in addressing youth employment issues. It is assumed that having officially adopted what can be recognised as a structured strategy for youth employment would mean larger attention given by a country to youth labour market challenges, compared to countries with no strategy.</p> | Value | Description | Missing value | No information available to assess the existence of a national strategy for youth employment. | 0 | The country has not developed any national strategy for youth employment or taken steps to develop or adopt one. | 1 | The country is in the process of developing a national strategy for youth employment. | 2 | The country has developed and adopted a national strategy for youth employment | 3 | The country has operationalised a national strategy for youth employment. |
| Value | Description | | | | | | | | | | | | |
| Missing value | No information available to assess the existence of a national strategy for youth employment. | | | | | | | | | | | | |
