

U N	G o a l	13. Take urgent action to combat climate change and its impacts
	T a r g e t	13.a Implement the commitment undertaken by developed-country parties to the United Nations Framework Convention on Climate Change to a goal of mobilizing jointly \$100 billion annually by 2020 from all sources to address the needs of developing countries in the context of meaningful mitigation actions and transparency on implementation and fully operationalize the Green Climate Fund through its capitalization as soon as possible
	I n d i c a t o r	13.a.1 Amount provided and mobilized in United States dollars per year in relation to the continued existing collective mobilization goal of the \$100 billion commitment through to 2025

I. Global indicator

<Type 4>

Indicator	Amount provided and mobilized in United States dollars per year in relation to the continued existing collective mobilization goal of the \$100 billion commitment through to 2025
Definition	<p>Amounts provided and mobilized per year in relation to the continued existing collective mobilization goal of the \$100 billion commitment under the UNFCCC process.</p> <p>There is no agreed definition under the UNFCCC on what should count toward assessing progress toward the \$100 billion commitment. Data from the UNFCCC secretariat refers to climate-specific financial support to developing country Parties, reported by Annex I Parties in their Biennial Reports. This data should not be interpreted as an indicator in relation to the achievement of the collective mobilization goal of \$100 billion commitment.</p>
